Parent Acceptance of Handbook and School Rules

We have read and understood all the details and provisions of this handbook. We had the full opportunity to ask questions and make comments about contents of this handbook. We find no part of this handbook objectionable or conflicting with our beliefs or standards. We have reviewed the School Rules and Regulations with our child(ren). We recognize that the Board of Directors of Al-Iman Academy of Mobile (AAM) is the highest authority in resolving disputes and interpreting the various rules and regulations of this handbook. We pledge to abide by all rules and regulations in this handbook, in addition to any decisions taken by the Board of Director. We pledge not to interfere in any way with the policy making process or the management of the school. We understand that any contact with the school must be in writing to the principal and not directly with the teachers or staff. We, and our children, pledge not to make any negative remarks about the school, its management, staff or Board of Directors to any person or party. We understand that the violation of this agreement will result in the immediate expulsion of our child(ren), any may cause legal action to be pursued against us in the event harm is incurred by the school or any of its employees. We testify that we are signing this document under no duress or inducement.
